

**KEEPING YOUR
FIREFIGHTERS SAFE,
WHILE THEY KEEP US SAFE!**

SANIGEAR

SANI GEAR OFFERINGS

Advanced cleaning, decontamination, hydro-static testing, advanced inspection, minor to major repairs of firefighter turnout gear.

We can also facilitate complete reflective changes on bunker suits, as well as create name patches or beaver tails for bunker coats that currently don't have them.

**“Prompt, courteous service
with an attention to detail.”**

**FIRE CHIEF JEFF MCARTHUR
BROOKE FIRE SERVICE**

ALTERATIONS OF BUNKER GEAR

Sani Gear has over 175 years' worth of sewing experience to complete any alteration or add-on allowed under the NFPA 1851 standards.

RENTAL BUNKER GEAR AVAILABLE

- New Recruits.
- Training class.
- Pre-Service College programs.

ADDITIONAL OFFERINGS

Sani Gear facilitates complete reflective changes on bunker suits, as well as create or replace nameplates/beaver tails, number patches, new cargo pockets and more.

DETERGENT SOLUTION

Sani Gear has partnered with The Cleaning House to provide a specialized 3-part detergent system that meets the upcoming edition of NFPA 1851.

This 3-part detergent system is used in-house at Sani Gear to ensure the best clean with the mildest effects on the bunker suits.

**“USE WHAT
THE EXPERTS
USE!”**

In station detergent set up available using a self-regulated pump system, maintained throughout the years by The Cleaning House.

On-scene decontamination solution available to be compliant with NFPA 1851 recommendations.

SANI GEAR IS VERIFIED ANNUALLY BY UL

- Advanced cleaning by a verified Independent Service Provider (ISP) is increasing to twice annually!
- Washing bunker gear after fire and biological events is recommended between annual cleanings, using an in-station front end loader with a micro-processor to control extract speed and water temperature
- Verification testing for ISPs is changing to include a biological and heavy metal wash test. How clean is clean?

Verified annually by UL to complete advanced cleaning, hydro-static testing, advanced inspection and complete all repairs required.

Sani Gear prides itself to deliver the highest quality in workmanship, with the best service level and fast turn around, all for a great value.

**FOR ALL YOUR FIREFIGHTER
BUNKER GEAR MAINTENANCE NEEDS,
